

Certificate of Compliance

This certifies that

Cint Australia Pty Ltd

88 Foveaux Street - Suite 702
Surry Hills, Sydney, NSW, 2010
Australia

holds Certification Number: 1004
and operates a Research Process Management System in compliance with
ISO Standard 20252:2012

Scope of Certification:

Cint is an insight market place for sharing and accessing of consumer data, with a primary focus on providing SaaS-based solutions (Software as a Service) for buyers and sellers of online market research sample.

Cint's platform connects online research sample buyers and sample providers. This certification covers services managed with Cint's platform (Managed Services) for online panel management as well as online data collection that is carried out by Cint's Project Managers using approved subcontractors.

This certification covers these services provided from Cint's office in Sydney, Australia.
